

Support your Trust's data strategy with

4Matrix Fusion

The Trust-wide system for collaboration

Cloud based, Multi Academy Trust analytics

A unified platform for clear visibility of attainment, progress and subject outcomes across schools.

Smart, visual tools for faster insights

Aggregate, rank and compare KPI and subject performance by school, with drill-downs for key pupil groups and cohorts.

Powerful, secure and 4Matrix Cloud ready

15+ tools for KS4 and KS5. Fully hosted by 4Matrix and compatible with 4Matrix Cloud and Desktop platforms.

"Would I recommend 4Matrix? 100% yes!"

Data and MIS Support Officer,
Lift Schools

With over 15 years of expertise, we help secondary schools make sense of their performance data - clearly, quickly, and visually.

Also available:

4Matrix Cloud
for school analytics
